For

Mayor of Overland

- Determination
- Dedication
- Vision for the future

It is time for a fresh New start
for the City of Overland

**“City Hall WORKS for
the residents,
NOT the residents for
City Hall”**

Determination:

I am determined to see our City progress for a better future than what we have now.

This means:

- Bringing new development into our City for stores, restaurants and retail outlets for our residents as well as for the revenue.
- As a full-time Mayor I can contact new prospects for businesses for our City.

Dedication:

- I am able to be a full time Mayor who will be at City Hall when you have concerns and questions. I will also work with all of the Council members and Department Heads to work as a team to stop the negative publicity of our City.

About myself:

- I have lived in Overland for over 24 years with my wonderful husband Tony. We have two great children and 3 grandchildren. I have worked in the office of St. Louis County Prosecutor Robert McCulloch for over 9 years and know what it takes to get the job done.
- I have also worked in purchasing, accounts receivables, and accounts payables.
- At the prosecutors office I collected over 3 million dollars for victims of fraud.

MY PLATFORM:

- To return services back to the residents
- I am the only candidate presently not involved in a law suit.
- To have an open-door policy to all residents to listen to your concerns.
- To have a balanced budget that stops the wasteful spending of your tax dollars.
- To give you the residents a voice on how your hard earned tax dollars will be spent now, and in the future.
- I PROMISE to represent YOU the RESIDENT.

WHAT CAN OVERLAND DO FOR YOU?

This is OUR CITY it is up to you on August 7th to decide its future
