

## An Open Letter to the Citizens of Overland and Fellow Councilpersons:

The citizens of Overland have voted and Mr. Mike Schneider is our new Mayor. Let me be among the first to officially congratulate Mayor Elect Schneider on his victory. I believe this is also a victory for the city of Overland.

It is my hope that Overland's elected Councilpersons and Mayor are ready to work cooperatively and responsibly for the betterment of Overland. I am reminded of the quote by President Abraham Lincoln, "A house divided against itself cannot stand". This remains true of city government.

For my part, I will put this advice to practice by making a pledge to our new Mayor, my fellow Councilpersons and to you, the citizens of Overland, I will be part of the solutions and not part of the problems that face our community.

So again Mayor Schneider congratulations, and I know the citizens of Wards 1, 2, 3 & 4 and I expect strong, responsible, honest and effective leadership from you. I have faith you will show the citizens of Overland you have those qualities.

Sincerely,  
Councilman Tim Jones  
Ward Four
